Navi cap

Navisafe has developed a range of stylish cap's that are designed for easy attachment of the Navi light 360°

Lightweight, stylish and practical cotton cap

Navi cap has a special purpose made strap for simple attachment of the cap to the sleeves of a jacket. Essential for windy days, fast sailing or riding and to retain the cap if it is dislodged for any reason.

Navi cap is made completely of 100% cotton. (including the inside sweatband, please see picture insert). At the rear of the cap there is an adjustable strap for comfort and to ensure that "One size fits all". The Navi cap can be adjusted from child size through to adult.
